Re: Case No. 2003-00266, Investigation into the Membership of
Louisville Gas and Electric Company and Kentucky Utilities
Company in the Midwest Independent Transmission System
Operator, Inc.

Dear Mr. Dorman:

Enclosed please find six CD-ROM discs, two of which are provided under seal according to our previously filed Petition for Confidentiality. We are providing these discs as replacement copies to the discs that we originally submitted to the Commission in our filing on January 26, 2004. We are submitting these copies because the original discs provided to the Commission were formatted in a way that the commission could not access the data thereon. We apologize for the inconvenience and hope that these replacement discs will be useable. Please hold the original discs labeled "confidential." Someone from our office will retrieve this disc on a later date. Thank you for your attention in this matter.

Sincerely,

Benjamin D. Allen
